

(22L-7971) (Hasan Yahya) (BSE-3B)

623+-382/+*2↑3+

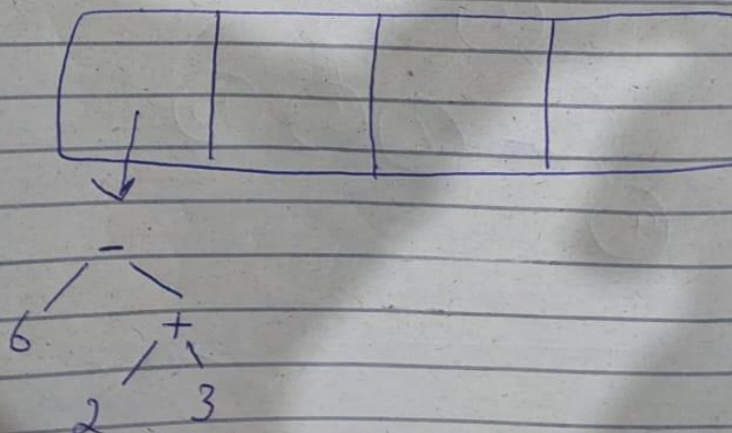

Stack bottom

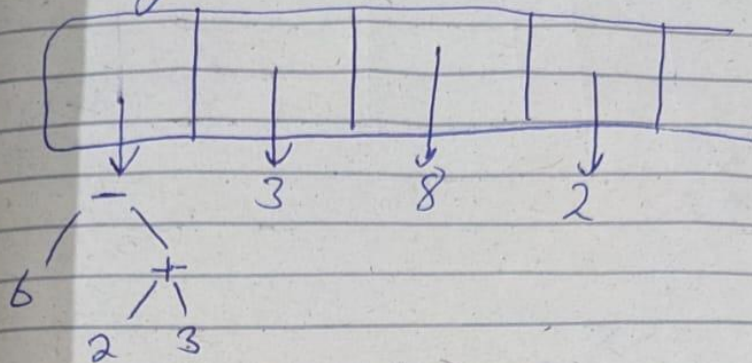

Next is + an operand so,

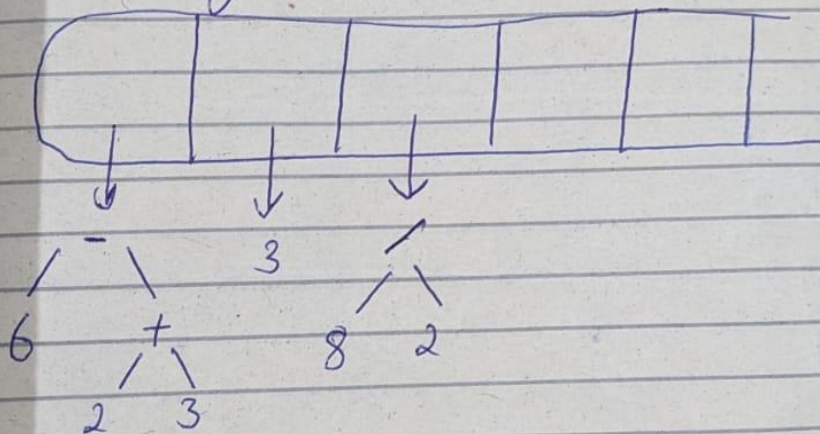

Next is - so, pop & push back.

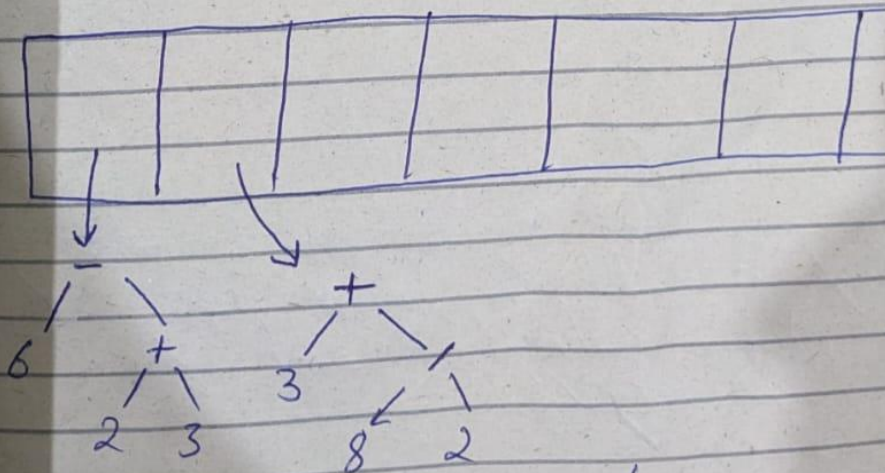

Pushing 3 8 and 2 :

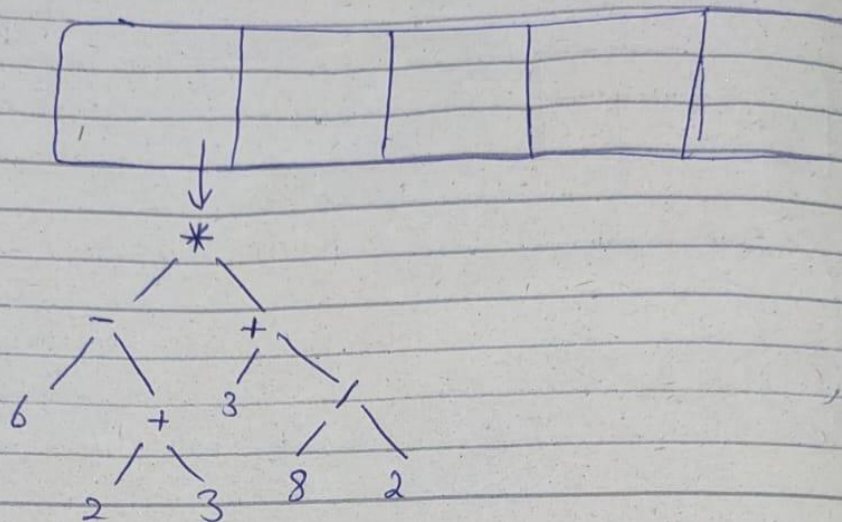

Next is / operand so popping last 2 & pushing back.

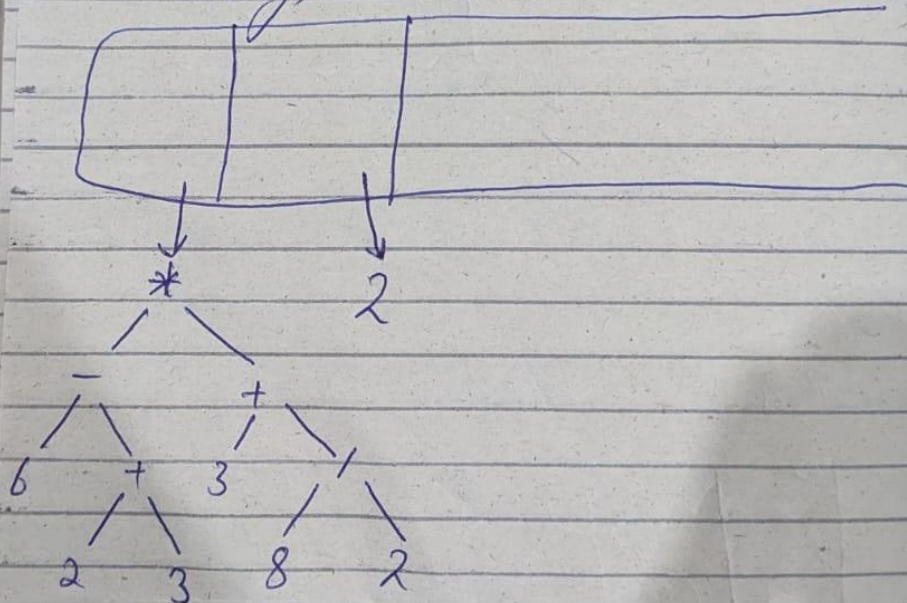

Next is + operand, so,

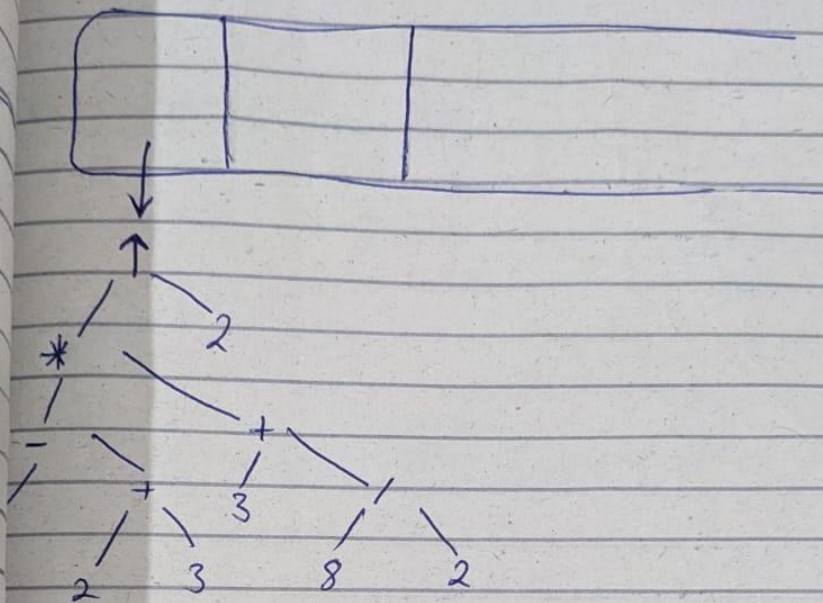

Next is * operand,

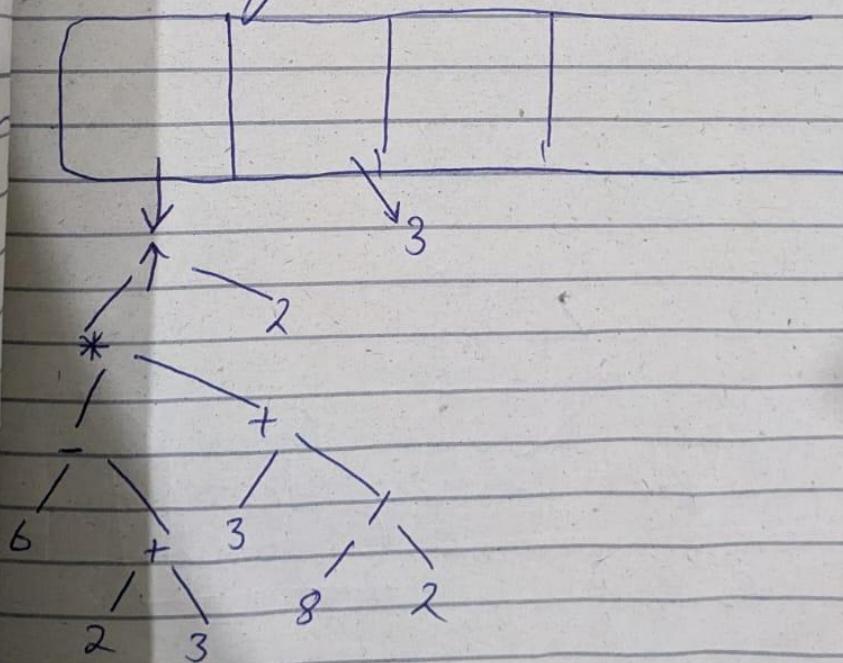

Pushing, 2 is stack.

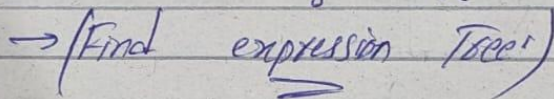

Next is ↑ operand same as ↑ used for power. Popping last 2 adding ↑ and pushing.

Pushing 3 into the stack.

Next is + operand.

Answer to
the tree is
